<面接試験の実際>

TG	What is your name?
I	My name is XXX.
TG	Where do you live?
I	I live in XXX, XXX Prefecture.
NS	OK. I'll ask you questions. Why do big cities become bigger?
I	There are many job opportunities in big cities, so many people can work. For example, I live XXX. About 10,000 people move to big cities every year, because people cannot find jobs in local areas. So many people come to big cities. The population of local areas is decreasing, but big cities become bigger.
NS	Why don't many Japanese speak English?
I	In Japan, students learn English at junior high schools and senior high schools, but they don't speak English. Japanese education put emphasis on reading and writing, so they don't speak English.
NS	What is the big problem in Japan now?
I	A huge earthquake and tsunami occurred in March 11, 2011. Nuclear Power Plants caused big damage. I think this is the big problem.
NS	Is there a nuclear power plant in XXX?
I	Yes, XXX Power Plant is in XXX.
NS	Is there only one?
I	No, the other one is XXX. So, there are two.
NS	OK, thank you.
TG	通訳ガイドになられたら、どのようなことに注意しますか？
I	お年寄りの方には安全に配慮し、またトラブルが発生した場合には迅速に対処したいと思います。常に自己研鑽を積み重ね、お客様の質問に答えられるようにしていきたいと思います。

TG	以上で終わります。
I	Thank you.
