

【面接官の印象】

1. 外国人面接官の印象

Looked pedantic and fair.

2. 通訳ガイド

Fair looking lady but she spoke a little too fast on the translation part. The content covers details and examiners cannot cover and give information properly. This part should be reconsidered.

3. 通訳試験について

《出題された日本文》

Japanese castle

《自分の解答》

A total blackout and all I could say was it was the symbol of the power and authority of the lord.

4. 2分間プレゼンテーションについて

6. 質疑応答について

NS	①Material of the wind chime ②Price of the wind chime—an estimation of 00yen to 10,000yen ③Japanese garden—talked brief about the inner garden of Machiya in Kyoto
----	---

7. 試験を終えての感想

The first part should be changed. It is better to do a short introduction of ourselves and present how and what would we like to present or introduce the visitors about Japan. Such presentation would much easier and clear to evaluate the capability of the person be suited as a tour guide.
